If you need a little background information on our Kids Voting N. Ky.: Our chapter was founded in 2000 in Kenton County and we expanded in 2003 to include Boone and Campbell counties.

We are a private, non-profit, non-partisan organization run by an all volunteer board.

We have two main components: 1) On Election Day, a mock election for "young voters" under 18 and 2) "Civics Alive" curriculum materials we provide to teachers. Our long term objective is to make voting a habit in childhood and eventually increase the adult voter participation.
